

**IEC System for Certification to Standards Relating to Equipment  
for Use in Renewable Energy Applications (IECRE System)**

**SUBJECT:**

Renumbering of REMC Working Groups proposal

**BACKGROUND:**

The following decision was taken from the **WE-OMC/009/RM Minutes** of the second WE-OMC meeting held in Feldkirch, Austria, 2015-04-20/21:

**Decision 15/2015:** The WE-OMC decided to renumber its Working Groups administratively, to be in line with the numbering of similar WGs at the REMC and other OMCs, and to propose to the REMC to harmonize the numbering of WGs across all sectors, as per Annex D.

**Annex D – Renumbering of WGs**

Title of WG	REMC	ME-OMC	PV-OMC	WE-OMC
RoP	WG001	WG301	WG401 (prev. 403)	WG501
